1. Secondo Monna, S.p.A., Somma Lombardo (Varese), covers an area of 10,250 square meters.

2. It has a total of 406 production personnel, broken down as follows:

|                                    |     |
|------------------------------------|-----|
| Designers                          | 8   |
| Planners                           | 5   |
| Technical and Production Engineers | 2   |
| Functionaries and employees        | 59  |
| Specialized workers                | 101 |
| Qualified workers                  | 193 |
| Ordinary laborers                  | 38  |
| Total                              | 406 |

3. The personnel are required to work from 40 to 48 hours per week, according to the section concerned. No work shifts are used.

4. The company uses 342 types of tool machines in production, and has four test benches.

5. No research work or changes in production plans are contemplated.

6. The company purchases its material from various sources, and manufactures the finished product, which is based either on original designs, or licenses from other companies.

7. In the industrial field, the company produces radiators and repairs aeronautical engines.

8. Bruno Monna, former Artillery officer, residing at 2 bis, Via XXV Aprile, Somma Lombardo, is the Managing Director of the company. He is a member of the Italian Liberal Party.

9. Benigno Bertoglio, former Naval officer, residing at Somma Lombardo on the premises of the company, is Administrative Director. He is a moderate Socialist.
